The Amburgey's

Missionaries to Ashland, MO

"BUT MY GOD shall supply all your needs according to HIS riches in glory by Christ Jesus" *Philippians 4:19*. Throughout the years, we have seen this Bible verse come to life over and over again. God has been so faithful even when we have failed. He is a good, good Father.

Lots happening around Mid Missouri and we are in awe of everything God is doing. Heartland has seen quite a bit of growth over the past year. Both in number and spiritually as well. It has encouraged our hearts greatly as we have seen direct fruit of our labor. While we know that it is never in vain, it is wonderful to see the fruit. We have began to look at our auditorium on Sunday mornings and think, how can we make it larger to accommodate what God is going here? What space can we sacrifice in order to increase the sanctuary? We know that God will supply this need when the timing is right. Help us pray about this. It is not a problem, its a blessing!

We have began our new weekly Bible study in the town of Holts Summit where we have started in the Gospel of John. It hasn't been an easy beginning. We are meeting in the Holts Summit Community Center. They key is held by the City of Holt Summit where it must be picked up before 4:00 for our 6:30 Bible study. Week one: City closed for Annual Mayor Golf Tournament. We wer3 able to get key at last and have our first Bible Study with 7 in attendance. That would be Kevin and I, one from Heartland, and 4 from the Holts Summit community. Fast forward-week 2. Went to pick up key-City closed for Holiday-no key. We were not able to salvage the Bible study as there was no way to get the key for the meeting facility. Week 3-there were 10 people in attendance. We are so thankful and excited to see what God is doing in this new ministry. I often think back to the very first Bible study in Ashland all those years ago when we had 14 people meeting in our living room before we even found a meeting place. Now, we are looking to move walls at the Church. Oh, but God!
