## Faith Bm

The First Quarter IMD offering will go to Promise Land MBC in Hamburg, AR for Faith BM in Sterlington, LA. Brother Kevin Hutcheson is the missionary at Sterlington.

## Sterlington, LA

Promise Land and Faith are redoing plans & submitting for building permits for their worship facility. Anyone who has been through this knows it can be a lengthy and costly process. Pray that it will go well.

## Sawdust Trail MBM

Interstate Mission Development

DATE January 2024

PAY TO THE ORDER OF First Landmark MBC \$32,600

Thirty Two Thousand Six Hundred DOLLARS

Nelson Valley M.B.C.

This check was wired to First Landmark in Rock Island, IL and will help Sawdust Trail help get their parking lot & driveway completed & reduce their debt.

## Kingsbury, IN

Sawdust Trail has had several baptized since they moved into their new building. Prayerfully this work will continue to grow and be a lighthouse in that community.

## IMD GUIDELINES

1. IMD and Nelson Valley BC will receive all funds. Offerings will be promptly deposited.
2. Funds received during the quarter will be sent to the goal selected for that quarter and approved by NVBC. These funds should be used immediately to pay on a mortgage or pay for building materials rather than go into a building fund for future projects. Any excess above the needed amount will be added to the next quarter's offering. (This change to the guidelines was made by Nelson Valley BC in their December, 2014 business meeting.)
3. Nominations must be for a Baptist mission sponsored by a church fellowshipping in the American Baptist Association. The sponsoring church must be a contributor to IMD and must make the nomination to IMD and NVBC. In accordance to the Mission Policy, Section I. part 1 in the 2006 ABA minute book, the missionary must be a member of his sponsoring church and the congregation he pastors can not be an "organized" church.
4. A ballot will be sent to all supporting churches to vote on the goals that have been nominated. Only supporting churches have a vote. Ballots must be returned by the date indicated.
5. NVBC will confirm the vote of the churches and disburse the previous quarter's funds as soon as possible following the end of the quarter.
6. Supporting churches will receive regular reports. Reports will be sent regularly to papers listed in the ABA yearbook and the Mission News Bulletin published by the Secretary-Treasurer of Missions in Texarkana.

## *From the Director*

In the last newsletter I mentioned what was happening in Israel. I recently read a comment where a man said that whole situation is like a volcano that has been dormant except for a few burps but has now erupted into a full blown disaster. In Psalm 122 verse 6 we are admonished to "Pray for the peace of Jerusalem."

In the last year we have had 5 churches to join us with regular support for missions. If the cost of buildings are causing men to be hesitant in doing mission work within the United States IMD should be reassuring to them. In addition to IMD there are several state and regional mission development works to assist in that endeavor. If the Lord is leading, by all means, follow His will.

The Lord has blessed with \$2,181,772 for the 48 missions since I began promoting IMD in January, 2001. I want to thank all of the churches and individual for that support.

If you or anyone in your church has any questions about IMD, you may call me at (501) 284-9099 or the email me at [imdmcnully@arismail.com](mailto:imdmcnully@arismail.com).
