October Overview

As we look back on all that has happened during the month of October, we are thankful to the Lord for allowing us to be part of His work here in Romania! We are also thankful to each church and individual who has supported us in this mission endeavor. We have enjoyed great services and increased attendance in both of our works this past month. We have been able to continue our Humanitarian efforts as well. Our Bible Institute classes have continued to be well attended this past month. Brother Marian and I both are enjoying teaching these Basic Bible Doctrine classes. We could not do this work without those that God has led to take part by supporting us with their prayers and finances. For this we are truly grateful! We pray for you as well, that God will grant you everything that you need as you work in His vineyard. We pray to the Lord of the Harvest that He will send more laborers, because the harvest is truly great but the laborers are few. Again thank you very much for all that you do for Romanian Missions!

2026 Medical Team

What a blessing it was for us to host a Medical Team of 15 members, led by Pastor Kolt Mackrill and the Pleasant Hill MBC from Lynn AR. Along with Pleasant Hill, were 3 team members from Grace MBC in Jonesboro AR., including their Pastor, Brother Brandon Wright. Also special thanks goes out to Sister Sherry Hartman from Unity MBC in Stuart VA, who came a week early to help us prepare for the Medical Team. The Team was able to minster to nearly 300 people in a three day period in the Village of Feldioara, where we have a church. The church in Feldioara labored faithfully alongside this wonderful team. Medical attention, medicine, and reading glasses were given. Most importantly the Love of God was shown and the Gospel was shared with all who came. We enjoyed seeing several visitors in our church services since the team was here. Besides ministering in Feldioara, the team enjoyed going to the Real Hope Ministry Farm, in Prejmer. Real Hope is led by Brother Marian Moisevici and his wife, Barbara. While there the team enjoyed a wonderful meal and great fellowship with all the guys at Real Hope. The Team was also able to give medical attention to those who live there on the farm. We are so thankful for this great Team, and for all that was accomplished during their visit with us here in Romania. Pray that we will see fruit from these efforts for many years to come!
