

Hope Missions

December 2024

Building and Additional Land

All the wheels are still turning. Prayerful by the end of January we will be ready to start through the approval process with the local planning commission and BZA as well as at the state level.

Salvation, Baptism, Additions

We are rejoicing at the salvation and baptism of Kevin. God has gloriously saved his family and brought them into our church over the past few months.

We are also excited that Larry and Pam joined the work here. They were a part of a church I pastored in the 90's, but had been out of church a long time. It is so wonderful to see them surrender to the Lord and be back in his church.

Outreach

Our prayer outreach door to door ministry did continue, but we were very limited by the weather.

We have designed a mailout that will be sent out during January. We are going to send out about 5,000 of these. Please pray for it to get to the right people and for them to seriously consider it's message.

We also participated in the local Christmas of yesteryear event, which gave us the chance to serve and meet a lot of people.

Year in Review

Like most churches 2024 had ups and downs for our work and the people involved here. There were some incredible triumphs and some deep hardships. Through it all the Lord is with us.

Here are some overall numbers for the year.

1. Attendance
SS-24, MW-47, Wed-15
2. First Time Visitors 102
3. Professions 10
4. Baptisms 10
5. Other Additions 3

Please pray that we can learn from 2024 and have a very productive 2025.
