

BRAILLE MINISTRY
Reporting Period--November 2024

Greetings in the wonderful name of our Lord Jesus Christ.

This year is moving right along, and so is the Braille translation of the Sunday school literature. The Winter literature has been distributed, and translation of Spring material is in progress.

Attempts to sell the spare Orbit Reader electronic Braille devices have been unsuccessful, but we'll keep trying. That said, one of our recipients in Arkansas experienced difficulty with her Orbit, and it was necessary to exchange her device for one of the spares. It's apparent that the Lord will lead us out of the need to maintain these Orbit Readers in His way and time. Please keep this in prayer.

Technical glitches are occurring again with the JAWS screen reader and the Braille display device used for this work, though the problems aren't as severe as they were several months ago. However, please pray for the equipment to function smoothly.

On a personal note, my wife Carol and I extend our heart felt gratitude to our brothers and sisters in Christ at Landmark MBC, Casa Grande, AZ, for their generous gift to us. Such a blessing in the service of the Lord is truly humbling.

May the Lord bless you as you seek to honor Him at this special time of year.

Respectfully submitted,

John Smith
