HAPPY NEW YEAR!

We had a delightful time last month! We welcomed Amy's parents, Bro. Jerry and Sis. Kim Chandler, to Romania at the beginning of the month. We've enjoyed our time with them and will continue until the beginning of February. Our services were extra special last month as we celebrated Christmas with Feldioara and Zarnesti Baptist Churches. All services were well-attended, especially the Christmas service on the 22nd. We have also been challenged with messages from Bro. Jerry. Our humanitarian outreach provided groceries for families and toys for children during the holidays. We were able to be a witness through this effort as well. Thank you all for your prayers and support! God bless!
