

BRAILLE MINISTRY
Reporting Period--January 2025

Greetings in the wonderful name of our Lord Jesus Christ.

The Braille ministry continues to move forward as we enter our second year in 2025.

Translation of the Spring literature was completed this month, and Summer literature was ordered. The translation of it has started in earnest. Each set of quarterlies comes with its own challenges and learning experiences. Please continue to pray for the Lord's enablement for this work.

We had a literature request from a church in North Carolina for two blind ladies. However, they were unable to make use of Braille in electronic form which this ministry provides. We regret being unable to meet the need at hand, but not all Braille readers can utilize the refreshable Braille devices required for reading Braille in electronic form.

Your continuing support and prayers for the Braille ministry are both encouraging and essential. Thank you, and may God bless you for your part in this ministry.

Also, please keep Brother Marvin Prevost and his wife in your prayers as her declining health has presented difficult challenges recently.

Respectfully submitted,

John Smith
