

BRAILLE MINISTRY  
Reporting Period--March 2025

Greetings in the wonderful name of our Lord Jesus Christ.

Translation of the Summer literature into Braille continues. We're working diligently to catch up after illness in February slowed progress.

We learned that one of our literature recipients from Kentucky passed away. While it's sad she's no longer with us, we rejoice in knowing she has been promoted to her heavenly home. We're praying for her family in their time of loss.

The spare Orbit Reader 20 Plus devices we still have on hand proved to be useful this month. We were able to provide a reader in Florida with a working unit when hers became inoperative. She expressed gratitude for the opportunity to get another device for reading the Sunday school lessons. The unit she is returning will need repairs.

While it is still our goal for this ministry to break free from providing technical support for these electronic Braille reading devices, it is gratifying to be a blessing to one of our literature recipients.

Your prayers and support are greatly appreciated and vital to the success of this ministry as we move forward.

Respectfully submitted,

John Smith
