

BRAILLE MINISTRY
Reporting Period--April 2025

Greetings in the wonderful name of our Lord Jesus Christ.

The Summer literature is on schedule for distribution in mid May, and work on the Fall literature is well under way.

On April 25th we were privileged to present the Braille ministry at a missions rally for the Central States Baptist Association at Heartland Baptist Church, Ashland, MO. It was uplifting to fellowship with several missionaries and pastors we've met previously. Prayer cards we had printed recently were well received.

We mentioned in last month's report that we replaced the Orbit Reader 20 Plus Braille display device for one of our recipients in Florida. The defective device has since been repaired.

Meanwhile, a recipient in Arkansas returned her Orbit Braille display when it became defective, and she has opted to acquire the electronic Braille reader available from her state library for the blind. They can help her with any technical issues with that device.

Thank you for your prayers and continuing support, and may God bless you for your part in this ministry.

Respectfully submitted,

John Smith
