

August-Sept News Letter

"For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus' sake."

Disaster Relief Ministry exist for the primary purpose of sharing the Gospel of Jesus Christ. It is a great opportunity when people are in need physically to be able to help not only in their current situation but also share the truth from God's Word. However we don't have to wait for disasters to hit in order to share the Gospel, the Bible tells us to "be ready always to give an answer to every man". We all have a part to do to spread the Gospel, something as easy as giving someone a Gospel Tract, but first we must be ready by having some tracts in our pockets!

The months of August and September have seen the least activity for Hurricanes since the early 1900s, but we have taken the opportunity to get as prepared as we can. The hurricane season isn't over yet, so we will continue to watch and prepare as we maintain and add new equipment.

We had a great Missions Conference at Skyline MBC in Madison AL. What a wonderful Church they have there with Pastor Matthew Bentley and his wife Katie. We are very thankful for their hospitality. We also got to visit the Space Center in Huntsville Alabama, Brother Hugo suggested that we make preparations for a Disaster Relief trip to the Moon!

Brand new changes are coming to our website www.abadisasterrelief.org. We are going to make it easy for everyone to see where there is a need to help as well as a way to sign up and get involved. Be sure to bookmark our website as well as following us on Facebook to stay up to date on Disaster Relief events.

We look forward to meeting each and everyone of you and would love to share the Disaster Relief Ministry with your Church.

Love in Christ, Archie & Jill Ritch
