MISSIONARIES TO ASHLAND, MO

For unto us a child is born. Unto us a Son is given. And his name shall be called Wonderful! As the Holidays approach we will not fail to celebrate the Savior as He alone is worthy of it all.

There is so much going on at Heartland over the next few weeks. However, we will save those events and stories for our next news letter.

There are some things that the Amburgey's would love for you to pray about on our behalf, specifically. About a year ago, the Lord began to lay somethings on our hearts. A burden for a town called Holts Summit, This town is about 24 miles from Ashland but it isn't necessarily in a direct path from Ashland either. So, we began driving through Holt Summit and then began looking into other communities over the next few months. Time slipped by. Days turned into weeks and weeks into months. However, a few months ago it appeared that we began to get a few gentle reminders, a few nudges perhaps, that this was something God would have us to pursue. Our oldest son, Matthew, moved to Holt Summit. A new precious lady that had been attending Heartland moved to Holt Summit. We also have met a few other families/couples whom live in the Holt Summit area. So, here we are Lord, what would you have us do? We would love to start a mid week Bible study there in that community. This would be in addition, of course, to Heartland in Ashland. We would carry on with the work in Ashland as we are. No changes there. The problem we are having at this time is a location that we can meet for this weekly Bible study. We would like to begin with a Tuesday or Thursday evening study. We would love to begin with the book of John. We have a day and a know what to study, but we don't have a where. There is a diner type cafe that has a small room to the side. This may work for a very short time but we would need to move on rather quickly to a space that is more conducive. Please help us pray about this. God already has the answers and we trust that we will see our questions answered and trust His will for it all. Isn't it interesting when God lays something on our hearts and we see it and then when we let things slide, He gives us those friendly reminders again. Just to let you know that He is still in it and for it.

Another prayer request that we would love for you to help us pray about: with the above mentioned, we have been praying about the possibility of a young family who is sold out for the cause of Christ, who believes that they are called for greater service, to come along side us to serve here in Ashland, MO. The work load can be heavy and yet we do understand that it is our reasonable service to our Savior. If we are able, with

the Lord's help to begin this Bible study in Holts Summit, and also remain faithful to Heartland Baptist, it will be a lot. It would be wonderful to have someone along side us to share the burden and be a part of boots on the ground. Please feel free to contact us with any questions that you may have. We would love to share our hearts with you.

We also ask prayer for Tawnya's family. There are many health needs and decision to be made. We ask that you help us pray for wisdom. We know that wisdom only comes from God and that's were we will ask for it.

Throughout all of these request made in this news letter, we will not fail to give God thanks. We are so thankful for all He has done. We are so thankful for His provision, His comfort, His grace and His Mercy. We are thankful for your prayers on our behalf and your support. We know that the prayers of God's people sustain us. So, we are eternally grateful for you.
