January 2026

Salvations and Baptisms

It is always such a joy to see people making decisions for the Lord. This month a mother and daughter, Heather and Emily, followed the Lord in baptism. They have been attending for about six months. They both had received Christ during our services a couple of months ago and made a **public profession of their faith through baptism.**

We also had **two other ladies** come forward in a service this month and tell the congregation that they had **accepted Christ** in the service that day. Please pray for Ginger and Victoria, to continue to take obedient steps for the Lord.

New Building

The new building is serving us very well. We are finding some things that need to be done as we use the building and we are working on some renovations in the other building that we still use for a fellowship hall and other Bible study opportunities. Many have called about giving offerings to help with these needs, but I have politely declined. The **people here** have taken **responsibility** all along the way for certain needs and this is a process I want them to handle on their own. We will also be doing a bit more landscaping once the weather permits.

New Faces

There are a lot of new faces, which represent the need to make spiritual decisions. There has only been **1 Sunday in the last 4 months without a first-time visitor.** Please pray for those who need to be saved, baptized, added to the Lord's church, delivered from addiction, healed in a crumbling marriage, and many other situations. These are the people who have and will continue to form God's church in Hope Indiana.
