Greetings From Romania!

Greetings to each of you from Brasov Romania! Kim and I rejoice in the goodness and blessings from our Heavenly Father. We are thankful for the opportunity that He gives us to labor in His vineyard here in Eastern Europe. We thank God for each of you who are so faithfully a part of this work through your prayers and financial support. Kim and I are most grateful for your love and fellowship!

News From Feldioara and Zarnesti!

The Flu and Stomach Bug moved in amongst us during the month of February but with all the illnesses our services continued. Kim and I both had the flu this past month but rejoice that we are feeling much better now. We rejoice that February saw some first time visitors that have shown interest in worshipping with us. Despite the snow and flu the attendances remained stable. Please pray for both Feldioara and Zarnesti! I believe there are those who are under conviction to be saved and some to join the church. We continue to look for avenues to share the wonderful, powerful gospel of Christ!

Humanitarian News!

The Humanitarian portion of our ministry is one that is supported separately from our Church Planting Ministry. We have several churches and individuals who designate funds to help those that are in need. These needs vary from assistance with food for needy families, to assistance with health related needs, to helping minister to those who don't have families or are widows with children. The list actually can be long. Why do we help? It is a way for us to share the message of the gospel in love. To show others that we care! This ministry has continued for many years because God has laid on many hearts to share. Because there are funds available, we use these funds for what they are designated. We were able to continue to help Sister Mundra and her family this month with food and funds for firewood. Also we continue to help Florica with her medication treatment for cancer. We were also able to make a food donation to The Real Hope Ministry, which helps young men who have timed out of the orphanage. This ministry provides a place to live and work, but more importantly it provides a ministry for their spiritual needs as well. Thank you so much for your support for both, our Church Planting Ministry and for The Humanitarian Ministry!

Because of Christ!...Jerry and Kim Chandler
