

BRAILLE MINISTRY
Reporting Period--February 2026

Greetings in the wonderful name of our Lord Jesus Christ.

Spring literature has been distributed, and translation of the Summer literature has begun in earnest. Please pray we'll be able to keep translating the literature in a timely manner since personal family matters noted in last month's report continue to call for considerable time and emotional energy.

The Lord has blessed us with a new reader from Ohio. After learning of our work in this ministry, he requested electronic Braille samples by e-mail. Then he asked to become a regular literature recipient. He reports being blessed by the teachings he received. Praise the Lord!

This month our bank began assessing a service charge for paper statements received by our church treasurer for the reserve equipment fund account. We're working on making changes to better access that account electronically and avoid further service charges.

As world events rapidly unfold, we count it a privilege to be involved in the Lord's work at such a critical time. We pray our readers are edified and blessed by the truths taught from God's word.

Thank you once again for your ongoing prayers and support for the Braille ministry.

Respectfully submitted,

John Smith
