### MONTHLY NEWS LETTER

This past February Pastor Lanier and I were able to travel to Jamaica to visit with a local pastor to see the needs of the Jamaican people after the Island was hit by Hurricane Melissa. We have a Jamaican couple in our Church that connected us with an Independent Baptist Pastor on the Island. We arrived there during the Jamaican Independent Baptist Association meeting at Bethel Baptist Church in Kingston and it was a packed house, we were very encouraged to see so many like minded Baptist people that truly love the Lord! Here we met with Pastor Kingsley Smith of Independence Hall Baptist Church and Rock Cliffe Baptist Church and were shown "no little kindness". Pastor Kingsley and his wife, Simone took us into their home for 5 days as we toured the damaged areas and visited the Churches. Areas near the Black River were almost completely destroyed, with many areas still without electricity. Rock Cliffe Baptist Church was no longer standing, but a temporary building has been built until a permanent building can be built. The churches are in need of Bibles and Hymnals, and I am working on sending some to them in the next few weeks.

We continue to see souls saved each week as we serve the Lord in our Church. I would like to thank each and every church and individuals that support our ministry. Lord willing we will have our new Website up and running in the next few weeks, so we will have another means to get information available to everyone.

and he that winneth souls is wise.*
