Dear Supporter of Bohol Missions,

God is good all the time, and all the time God is good... in the U.S. and on Bohol, and we praise Him again for His blessings in March.

The biggest blessing of March was one profession of faith. Praise God! Heaven rejoices over *one sinner that repenteth*, and evangelism is the foundation of mission work. In addition to the one profession, you will also see in Pastor Josol's report that we saw two baptisms. Again, praise God!

Another blessing is that we now have water on the property. At present it is only a bucket well—which Pastor Josol reports the mission members are very happy about—but work is underway to install plumbing down into the well, a pump, holding tank, etc.

We thank God that even with the expenditure of \$1,000+ dollars for the well, offerings still kept pace with expenses. Again, we praise God...and we thank you! As you know, once the old Ubay debt was paid off and that mission was organized, we set about to establish a different financial future for Bohol Missions. To say you embraced that vision would be an understatement, and every month we are thankful all over again. This financial stability puts us in the driver's seat for not only meeting the needs/improving the property of our mission, but also for taking on a second missionary whenever that door might open. We do have what I would call a current need. Since Pastor Josol and I have only spoken of it in passing, I will not detail it here. However, to realize we are in a position of financial strength to even consider it is just such a huge blessing.

As always, we thank you for your support of what God is doing in Talibon, Bohol, Philippines and pray His blessings upon you as you work for Him where you are.

For the souls,

Rod Dunlap, Pastor
