 April- May 2026 News Letter

**Monthly News Letter**

June the 1<sup>st</sup> marks the beginning of hurricane season and we have been busy getting prepared. We are thankful that we were spared during the past hurricane season but we know that we must be ready.

The recent tornados in Mineral Wells, TX and also in the Purvis, MS area really did a lot of damage. We were able to help a lot of folk in Mineral Wells with clean up along side of the guys with Foxhole, Inc as well as share the Gospel of Jesus Christ in their time of need. As we traveled to Purvis MS we encountered some mechanical problems on the road and had to be towed back home. However the next day we left out again with Ethan's personal truck and just outside of Mobile, AL we were Involved in an accident and jack knifed the trailer. Praise God no one was hurt, but the truck was severely damaged. The equipment was chained down well and stayed on the trailer. Ethan was able to get the trailer and truck out of the median and loaded back up. We have had the mechanical issue on one truck repaired and it is back in service. Ethan's truck is out of commission for at least 6 weeks. So we have been blessed to add another truck to our fleet. We are so thankful for the support of God's people, that makes the Disaster Relief Ministry possible. The past couple of months have had some difficulties, but we are thankful for the blessings that have come from supporting churches.

"Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom there is no variableness, neither shadow of turning." James 1:16

We look forward to seeing everyone at the National Meeting in Hot Springs, AR . Please stop by our booth and say hello!
