

Hope Mission

April 2026

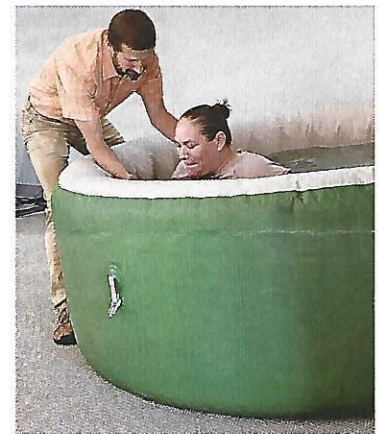

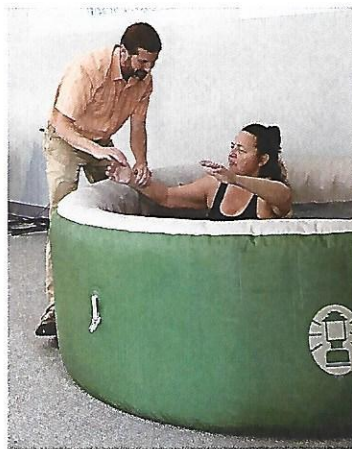

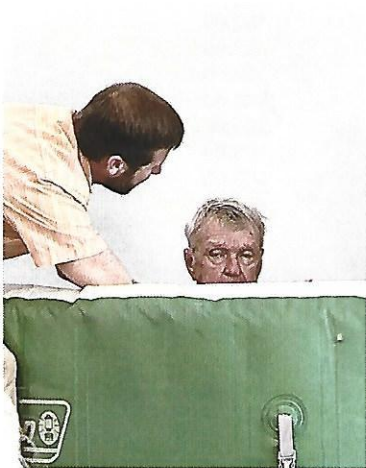

5 Baptisms

God really poured it on this month. Ginger had professed her faith in Christ 2 months ago, Mederick had prayed to receive Christ in his home about 3 months ago but had not made it public, the other three (Beverly, Heather, and Bill) had come to faith in our services over the past few months but also had not made it public until their baptism.

I can't think of a better way to say, "Hey, I got saved", than through baptism.

Bill is 89 years old, making him the oldest person I have ever baptized.

Please pray for the continued growth of these new disciples. Many in our church are young in their faith. Even some of the ones who are strongest in their service through the church are less than 2 years old in the Lord. They are growing, but need more grounding in faith and doctrine.
