June 2026

More Baptisms

God's blessings continue to flow. Zoe was saved last month and followed the Lord in baptism this month. Please pray for her boyfriend Kyle. He has started attending with her and needs to be saved. Bruce and Jennifer have been attending for about 6 months now. Both were already saved, but needed scriptural baptism. We are so thankful for their surrender to the Lord.

Vacation Bible School

We had an amazing Bible School. Our attendance was between 25 and 30 kids each night and our people did an amazing job. The proudest part for me was the fact that I was not needed. Every base was covered by our people.

Group from Central Bastrop LA

We were so blessed to have the youth and their sponsors with us. They did a totally free car wash and a prayer out reach that gave us the chance for plenty of conversations and future follow-ups. We have already had visitors from their efforts.

ABA

Missy and I had a great time at the ABA. It is always a huge blessing to reconnect with those we love and hear of what God is doing on their fields.
