

BRAILLE MINISTRY
Reporting Period--July 2026

Greetings in the wonderful name of our Lord Jesus Christ.

The translation of Fall literature was completed this month. Thankfully it was finished just prior to having a surgical procedure performed to remedy trigger finger on the left index finger. The work of the Braille ministry has not been seriously hampered by the surgery and recovery.

Since our last report we've added a new reader to our roster of literature recipients, Barbara L. from Kentucky. She requested all three of the adult quarterlies in electronic Braille. She reads them on the Braille display device provided by her state library for the blind. After reading the first several lessons of the adult Sunday school study guide, she called to say how wonderful the material is. While she has read other so-called religious material, she hasn't read anything like this before.

Praise the Lord for her testimony! It speaks well of the quality of the material this ministry is privileged to disseminate. It also puts a spotlight on the great hunger and need among the blind for doctrinally sound literature. Your prayers and support for the Braille ministry have made it possible for the Lord to enable one more precious soul to grow in Christ.

Thank you once again for your support of this work.

Respectfully submitted,

John Smith
