

Hope Mission

August 2026

Eastern Baptist Association

We had a marvelous time hosting the Eastern Baptist Association. This year's meeting was very well attended and it was a pleasure to see all of our friends from our sister churches in this region.

Our people did an outstanding job with all the elements required to host such a meeting and I could not be prouder of the work they did. It is one more display of their growing maturity.

Mission Conference

We host our mission conference about every 18 months. It is a time of being reminded of the importance of mission work around the world and making commitments to mission support.

The work here never took the "one day we will be able to support missions" approach, but rather sought a strong commitment to mission support from the beginning. Our church is very faithful in praying for missionaries, this year several have gone to help missionaries on their fields, and the financial support towards missions is stronger than ever. Once again, so proud of their maturing in this vital area.

Our visiting missionaries were the Strader family (Preparing to go to Manchester England), the Hansen family (serving in Zhytomyr Ukraine), and the Maness family (serving in Cordoba Argentina). We would hardily recommend these missionary families for your support.

Our speaker for the conference was Doug Wiersema. It was such a thrill to have he and Dianna with us and learn more about their mission efforts as well.
