

# Hope Mission

July 2026

## Busy

This month turned out to be very busy. A lot of energy has gone into a renovation of the fellowship hall in the old building. It is looking great and is mostly done with a few small things to wrap up. One of the most significant parts of this renovation is that it was completely paid for by the people here in Hope, which is another encouraging evidence of their advancement in financial responsibility.

This renovation was planned, but part of the time line was to have it done by August 4<sup>th</sup> when we will host the Eastern Baptist Association. We love being a part of this association with our sister churches and wanted them all to see the completed new building.

We have also been preparing for our mission conference which we have about every 18 months. The people here have truly developed a passion for missions and have been planning and preparing to host mission families in this important time of mission's emphasis.

So busy is a bit of an understatement, but God has helped us through it all. Please pray for God's blessings on these upcoming events.

## Pray for the lost

Thank the Lord we continue to see visitors in most every service. Many of our new visitors need salvation. Please pray for Kyle, Seira, David, Shara, John and his wife, Wes, and Addison. All have heard the gospel and we are longing for them to come to Christ.
