Greetings From Romania

It is so hard to believe how fast this year seems to be passing! As I write this September report, it causes me to thank God for all that He has done and is doing with the work here in Romania this year! We look forward also to what God will do as well. Kim and I truly appreciate your support both in prayers and finances. We are able to be here because of your faithfulness to support this Mission Work!

Construction in Feldioara

As reported last month, we are fully renovating a large room in the back of Church Building in the Village of Feldioara. This space will be a blessing, as we need more classroom and activity space. We have the walls and ceilings all stripped and have poured a new concrete floor. Randy and Debbie Taylor along with three men from Clear Springs BC in Russell Springs KY will be here this month to help with getting new walls, ceiling, floor covering and electrical work. We also want to help Brother Marian Moisevici and Real Hope with some electrical work while this team is here. We are very excited about this project! We look forward to a great time of work and fellowship!

Feldioara and Zarnesti

We have been enjoying great services this past month in both of our ministry locations. Our attendances have increased significantly with several new visitors. It has been a blessing to have the Moisevici family and the guys from Real Hope in our services. I have shared the preaching time with Brother Marian, who has done a wonderful job! Pray for us this month as we prepare for our Medical Team from Pleasant Hill MBC in Lynn AR, who will come at the beginning of next month. We are praying that this will be a wonderful time of outreach!

Humanitarian

We are happy to report that we have been able to continue helping those whom we have previously been helping with food, medical help and cancer treatment. This past month we also were able to help a young mother who had a very serious brain issue. She was in the hospital for several weeks then released to go to a rehab facility. We were all so excited that she and all her family were able to attend the last two Sunday services in Feldioara. Please pray for Maria's full recovery!

Bible Institute

We are so excited that our classes will officially begin this month! We have several planning to come. Among them are some young people who are enrolled in the University here in Brasov that will be attending our Bible Institute. Brother Marian Moisevici will be teaching along with myself. Please pray for us as we get this years classes started!

Thank you once again for partnering with us in the work that God has called us to do!! Words cannot express how grateful we are for each of you!

Jerry & Kim Chandler
