

BRAILLE MINISTRY
Reporting Period--August 2026

Greetings in the wonderful name of our Lord Jesus Christ.

The Fall literature has been distributed to our recipients. Translation of Winter literature is well under way.

A significant software upgrade became available for the Duxbury Braille Translation (DBT) program we use, but as so often happens in the realm of technology, the upgrade broke something. A work-around made it possible for our work to continue, but not without considerable inconvenience. We were greatly relieved when another update two weeks later fixed the problem.

In spite of technical glitches like the one just described, we are blessed by the content of the literature we put into Braille. It's our frequent prayer that our readers are blessed and edified as well.

Your ongoing support of this ministry is encouraging and means a great deal. Thank you.

Respectfully submitted,

John Smith
